# Parks Memory Care News

Dear Friends,

Here are some fun information of April. Bird of the Month is Canary, Flower is Daisy and Birthstone is Dimond. Be aware, April Fools Day is the1st.

The Outing to the Lake, outdoor patio blowing bubbles and root beer floats were lots of fun!!!! Got lots of comments how every one enjoyed the outdoors. Although April is known for its showers, wind, and sudden storms. In fact, it's often said that the only thing you can count on for April weather is its unpredictability. I have schedule more outdoor activities weekly as weather permits.

April 9th is Easter and we have plan Community Worship Services starting Thursday, April 6th, 7th and 8th. If you will like to attend please let me so I can reserve some chairs in the chapel.

We will be going out to lunch to Dixie House and Mexican Inn. Let me know if are interested.

If you have any suggestions of any new activities or places to go please let me know. I welcome suggestions.

April  
SHOWERS  
BRING  
May  
FLOWERS

The image features a vertical arrangement of text and decorative elements. At the top, the word 'April' is written in a green, cursive font. To its right are two flowers: a purple one above a blue one. Below 'April', the word 'SHOWERS' is written in a pink, sans-serif font. To the left of 'SHOWERS' is an orange flower, and a green swirl extends from the bottom of 'April' towards it. Below 'SHOWERS', the word 'BRING' is written in an orange, sans-serif font. To its left is a pink flower. To the right of 'BRING', the word 'May' is written in a blue, cursive font. At the bottom, the word 'FLOWERS' is written in a purple, sans-serif font. A blue swirl extends from the bottom of 'May' towards the end of 'FLOWERS'.
